Sail the Kimberley

While chartering your own superyacht to sail the wild coastline of the Kimberley might be out of the question for most budgets, there is a way to experience this incredible part of the world on a luxury vessel.

Yospace offers the opportunity to book individual cabins on their luxurious superyachts which cuts the price substantially. Small ship specialist, [Cruise Traveller](#) is offering all-inclusive Kimberley superyacht cruises in conjunction with Yospace sailing in June and July, 2022. Just 8 guests can enjoy one of the six to 10 nights itineraries which take in such locations such as Cygnet Bay Pearl Farm, Talbot Bay, Montgomery Reef, and the opportunity to view Gwion Gwion rock art.

Onboard, guests can expect deck-top jacuzzis, four deluxe cabins and chef-prepared gourmet meals. The six-night sailing on June 13, 2022 is exclusive to Cruise Traveller, with fares from \$12,365 per person, twin-share, including a special free, private car airport transfer in Darwin.
