OCEAN ODYSSEYS

Iconic Kimberley Expedition

Experience the remarkable Kimberley wilderness in bespoke luxury.

Day
1

Cygnet Bay - Welcome Aboard

Private transfer from Broome to Cygnet Bay Pearl farm for lunch. Afternoon embarkation on to your private vessel, "Eclipse", for a sunset cruise through the Buccaneer Archipelago with cocktails and canapés. This area lays claim to the magnificent Waterfall Reef, countless tidal phenomena and access to delightful islands and beaches. Dinner served shortly after sunset while cruising to your first beautiful anchorage.

Day
2

Horizontal Falls - Buccaneer Archipelago

Welcome to the southern heart of the Kimberley, characterised by blue water, endless islands, spectacular reef and many Kimberley highlights. The Horizontal Falls is testament to the region's huge tidal range. Experience the awesome power in an exhilarating vessel ride to view the falls and the scenic backdrop. Be intrigued by the powdery white sand of Silica Beach, enjoy a refreshing dip at one of the North West's finest beaches. While cruising to the Horizontal Falls, there's access to Crocodile Creek, rainforest canopy walks and hidden waterfall oasis. Cruise past Cockatoo and Koolan Island and enjoy the diversity offered throughout the Buccaneer Archipelago.

Day
3

Montgomery Reef - Islands

Wake up at the striking Raft Point ahead of another astonishing day. This area gives access to both great fishing and cultural, scenic walks. Prepare for another Kimberley icon as we sail over brunch to Montgomery Reef. Described as the eighth wonder of the world, this unique ecosystem and tidal phenomena has to be seen to be believed. Marvel as 400 square kilometres of coral reef emerges out of the ocean - forming countless waterfalls, gorges of cascading reef and a concentrated marine life hotspot. The afternoon is tailored to your desires with options for fishing, sunset beach drinks and onshore exploration of this ancient area.

Day
4

Doubtful Bay - Rivers and Waterfalls

This diverse region of the Kimberley offers an array of highlights, where five exquisite river systems all converge into the protected Doubtful Bay. The day is based around tidal times, enabling you to secure prized creek fish and the elusive Barramundi and Golden snapper. When the tide is high, enjoy private access to the beautiful waterfalls of the Sale River and Red Cone Creek. These oasis locations offer an opportunity to relax, immerse in nature and cool off in your own billabong. This day proffers fishing action or relaxing sceneries in one of the Kimberley's most unique and diverse areas that could be explored for weeks.

Day
5

Camden Sound

The area offers history, picturesque islands, beaches, fishing and unique sailing experiences. Camden Harbour is steeped in history as the first attempted but disastrous European settlement in the Kimberley. Tide permitting, you'll have access to fresh, scrumptious, Kimberley rock oysters, then private beach combing and historic trails to explore. Fishing options include great reef fishing and pelagic trawling amongst beautiful scenery with an afternoon sail to witness after some more European history or beach relaxation.

Day
6

Kings Cascade - Prince Regent River

The Prince Regent River is the heart of the Kimberley, characterised by the famous Kings Cascades, where you can experience a natural refreshing shower underneath a waterfall on the bow of Eclipse. Your day entails a stunning cruise past Mt Trafalgar and Mt Waterloo into the mouth of Prince Regent River. Renowned for fishing and wildlife experiences you'll then trek to the beautiful Camp Creek waterfall to refresh. The afternoon is underpinned by creek fishing or exploring more waterfalls and ancient rock art of this prehistoric environment.

Day
7

Hunter River

Behold the mighty Hunter River, where rainforest encrusted mountains display spectacular scenery. The Porosus creek anchorage is a majestic calm waterway with mountainous backdrops that glow with Kimberley light. This region is alive with wildlife, offers amazing fishing opportunities, mud crabbing bird-watching alike. Furthermore, experience a challenging waterfall hike to Jackson Falls (named after our very own Jackson). Then relax for beach drinks with your own private bar and enjoy the serenity of the Kimberley's best anchorage for your final evening.

Day
8

Mitchell Plateau to Broome

Wake up for final morning activities amongst the stunning Hunter River. Although it's disembarkation time the adventure does not stop. Enjoy a private helicopter transfer over Donkin Falls and the renowned Mitchell Falls. Experience Mitchell Plateau's remoteness before a private charter flight back to Broome.
