

TERM CHARTERS 2026

WHITSUNDAYS SUPERYACHT CHARTER

Welcome aboard NISI, a striking 25-metre luxury superyacht designed for relaxed cruising through the Whitsunday Islands and Great Barrier Reef. Combining expedition-style capability with casual sophistication, she offers an exceptional private charter experience for up to six guests.

Her distinctive shimmering bronze hull makes an immediate impression, while her shallow draft allows NISI to access sheltered anchorages and cruise closer to secluded beaches, tropical islands and bays that define the Whitsundays.

Designed for effortless days on the water, NISI offers generous spaces for dining, entertaining and relaxing, whether cruising between islands, anchoring off a remote beach or settling in for sunset drinks overlooking the reef.

TERM CHARTERS

Unveiling a flawless interior, meticulously crafted to the highest standards of construction, this superyacht's engineering prowess is simply unmatched. Prepare to be captivated by the sheer beauty and grandeur of this luxury vessel.

INTERIORS & LIFESTYLE

Light, contemporary interiors create the relaxed ambience of a European coastal villa. The spacious saloon flows seamlessly from the aft deck and features timber flooring, an L-shaped lounge, bar, retractable flatscreen television and expansive windows that keep the surrounding scenery firmly in view. Wi-Fi and air-conditioning throughout add to the comfort onboard.

Outdoor living is central to the NISI experience. Wide walkaround decks connect generous sunpads on the foredeck, an undercover aft dining and entertaining area, and an elevated flybridge with panoramic views.

Dual staircases lead to the oversized swim platform and water toys, making it easy to move from laid-back luxury onboard to swimming, exploring and enjoying the tropical waters of the Whitsundays.
